

Discounted Fees for Self-Insured Patients, Pensioners & Health Care Card holders

To support the local community, and with the current financial hardship many patients face, with long waits to have a colonoscopy or endoscopy in the public hospital system, we are now offering heavily discounted fees for self-insured, pensioner and health care card patients. Facility fees will now be reduced by 50% to encourage patients to see us for their gastrointestinal needs.

OUR SERVICES INCLUDE:

- ● ● Colonoscopy
- ● ● Upper Endoscopy
- ● ● Capsule Endoscopy
- ● ● Iron Infusion
- ● ● Consultation
